Jules Galloway
NATUROPATH

Hi, my name's Jules Galloway and I'm a qualified naturopath on a mission to take the fear and boredom out of gluten, dairy and sugar free living.

My website julesgalloway.com was launched in March 2013, and is a go-to destination for delicious recipes and straight-talking health advice.

I recently launched a new health program called *Shiny Healthy You - Fatigued to Fabulous in 12 Weeks*, and I regularly run events and workshops all round Australia.
